

# One Penn State 2025

## Realizing Transformation

Virtual symposium  
February 10, 2021

**PennState**

Guiding principle 1:

**Provide a seamless  
student experience**

PennState

One Penn State 2025

# Creating a Seamless Co-Curricular Experience

## Dan Murphy

Director, Student Orientation and Transition Programs

Penn State University Park

dwm17@psu.edu

## Scott Simonds

Director of Student Affairs

Penn State York

sfs9@psu.edu

# Creating a Seamless Co-Curricular Experience

## This group may:

- review policies/procedures for out-of-class activities to create flexibility and access across campuses
- pilot projects that evaluate student needs/interests, the costs to make broader access available, and explore budget models that support greater access

# Creating a Seamless Co-Curricular Experience

## Seamless Co-Curricular Sub-Committee:

- Dan Murphy, Co-Lead
- Scott Simonds, Co-Lead
- Diego Santos, Undergraduate Student (SC)
- Renea Nichols, Assistant Teaching Professor (CM)
- Douglas Wolfe, Research Professor (ARL)
- Kiernan Riley, Graduate Student (NR)

# Creating a Seamless Co-Curricular Experience

## Recommendations in Four Categories:

- Access to University Facilities
- Access to Programs and Services
- Information Sharing and Systems
- Collecting Student Feedback and Narratives

# Access to University Facilities

This will create maximum use by all Penn State students to all building and location spaces in a fair and equitable manner.

- 1.3.1.: Access to Recreation Facilities
- 1.3.2.: Ability to Reserve Space for Educational Activities
- 1.3.3.: Authorized Use of Parking Permits at all Campuses
- 1.3.4.: Comprehensive Access to Technology, Devices/Tools, and Reliable Access to Wifi

# Access to University Programs and Services (pt1)

This will create equal access for all students to take advantage of all Penn State programs and services in a fair and equitable.

- 1.3.5.: Shared Student Onboarding Experience
- 1.3.6.: Ability to Participate in Athletics (PSUAC)/Club Sports
- 1.3.7.: Access to Counseling Services at All Campus
- 1.3.8.: Access to Learning Center Services
- 1.3.9.: Comprehensive Career Services and Resources

# Access to University Programs and Services (pt2)

This will create equal access for all students to take advantage of all Penn State programs and services in a fair and equitable.

- 1.3.10.: Shared Major Events and Speakers
- 1.3.11.: Consistent Opportunities for Student Travel
- 1.3.12.: Create Central Repository for Student Engagement Offerings
- 1.3.13.: Equitable Access to Clubs/Organizations

# Information Sharing and Systems

Maximizing use of existing computer systems system wide will create efficiencies in infrastructure costs, while ensuring all students have equal access to technology to enhance and complete their educational goals.

- 1.3.14.: Create Process for Photo Upload for id+ Card
- 1.3.15.: Use of id+ Card as “All Access Pass”
- 1.3.16.: Shared Electronic Medical Records (CAPS & UHS)
- 1.3.17.: Create Network of Student Engagement/Employment Options

# Collecting Student Feedback and Narratives

Maximizing use of existing computer systems system wide will create efficiencies in infrastructure costs, while ensuring all students have equal access to technology to enhance and complete their educational goals.

- 1.3.18.: Create More Opportunities to Connect Students and University Personnel Across the University

# Roadblocks, Barriers & Resource Challenges

- budgets and fees; most notably the student-initiated fee
- matching supply and demand
- centralized vs decentralized approaches
- technology/systems
- varying rules and policies

# Creating a Seamless Co-Curricular Experience

**Let's Discuss!**
